

Ambition Prep

CBSE coaching that delivers RESULT

The background of the entire image is a photograph of a classroom. A female teacher with dark hair and a bindi is leaning over a desk, interacting with students. One student in the foreground is wearing a white lace top. In the background, there is a whiteboard with handwritten text in blue ink, including 'Ch', 'COMME', 'PAR', and 'M'.

Student Testimonials

Studying at Ambition Prep was a life changing experience for me. The exposure which I got has added a great value not only to my academic abilities but also to personality development. I got a chance to look test my understanding on high quality test papers and one on one mentoring sessions helped me ace my board exams

Karthik Kumar, KV

I came to know about ambition prep from a family friend and joined them in the month of September 2020. Earlier I used to mug up concepts but after attending the lectures I started understanding the subject. I was able to secure good marks, all thanks to the supportive faculty.
